12                  **ORDER OF DISMISSAL**

13                  A review of Court records indicates that an order of dismissal in this case has not been entered,  
14 despite the fact that the parties notified the Court of the settlement of this case shortly after the Court  
15 denied Defendant's motion for summary judgment on October 19, 2005. Therefore, in light of the  
16 settlement reached by the parties and in order to close this case,

17                  IT IS ORDERED that this action and all claims asserted herein are DISMISSED with  
18 prejudice and without costs to any party.
